WELCOME TO **NEW AGE CARAVANS**

Every van begins with a simple promise: to make travel feel effortless, comfortable and unmistakably Australian.

Since 2008, we've pioneered modern caravan design; bringing apartment-style interiors, advanced composite construction and a new level of comfort to the Australian market. Built in Campbellfield, Victoria, every New Age caravan reflects our commitment to quality, innovation and the Australian way of travel.

With a nationwide dealer network and local manufacturing support, you can explore with confidence knowing your caravan is built to last, and built for life on Australian roads.

100% Australian Made

Proudly 100% Aussie made, New Age Caravans supports local jobs, local suppliers, and Australian industry standards. Every caravan is built right here at home, ensuring the strength, durability, and reliability needed for real Australian adventures.

Built for Adventure – Built to Last

Our building methods combine modern engineering with time-proven craftsmanship. From rugged chassis design to precision CNC cabinetry, reinforced construction, premium insulation, and advanced suspension systems, our caravans are built to tackle remote roads and long-haul touring without compromise.

Premium Quality, Inside and Out

We source high-quality components and materials to deliver exceptional fit, finish, and longevity. From Australian steel to durable composites, luxury interiors, electrical systems, and off-grid capability, every detail is chosen to enhance comfort and performance.

Warranty You Can Rely On

Every New Age is backed by a comprehensive warranty program, giving you total confidence wherever your journey takes you. Our after-sales support team is committed to keeping you on the road with reliable, responsive service. 3 Year Bumper to Hitch.

Australia-Wide Dealership Network

With an expanding dealership network across Australia, you're never far from expert advice, service, and support. Whether you're purchasing your first caravan or upgrading to your dream model, our nationwide dealers are ready to assist.

ROAD OWL

SMART TOURING FOR FAMILIES, BUILT AROUND CLEVER BUNK LAYOUTS

For 2026, we've designed the New Age Road Owl range with families front of mind, combining comfort, space, and smart functionality for life on the road. Available in 19ft and 21ft models, our Road Owls feature practical family bunk layouts that give kids their own zone, while keeping the living space open, comfortable, and easy to enjoy together.

We've also focused heavily on storage, with generous cupboard space throughout so everything has its place. From clothes and food to toys and travel gear, there's room to pack what your family actually needs. Thoughtfully designed interiors, quality finishes, and family-friendly features mean our 2026 Road Owls feel just as good when parked up as they do when chasing the next adventure.
